INTRODUCTION

The Toledo Federation of Art Societies and the Toledo Museum of Art welcome you to the 89th Annual *Toledo Area Artists* Exhibition! This exhibition features contemporary works created by regional artists and craftspeople. This exhibition was juried by sculptor and President of the Cleveland Art Institute David Deming and Joseph Becherer, Curator of the Meijer Gardens and Sculpture Park in Grand Rapids, Michigan. The jurors distilled 655 submissions from 253 artists down to the 104 works that form this exhibition.

The staff of theToledo Museum of Art and the Toledo Federation of Art Societies have devoted a great deal of their time and talent to organize and execute this exhibition. I would like to recognize and thank the following for their unending support and dedication: the Executive Board and Delegates of TFAS; Don Bacigalupi, President, Director, and CEO of the Toledo Museum of Art; Claude Fixler, TMA Exhibition Designer; Jennifer Bandeen, TMA Exhibitions Production Coordinator; and all of the Museum support staff. But, most importantly, thank you to the many artists and craftspeople that have supported and continue to support this exhibition!

I hope that you enjoy the labors of our region's talent!

Special Award presentation

Each year the Toledo Federation of Art Societies selects an organization or an individual who displays unparalleled support for the arts in the Toledo area. This year's award is given posthumously to Michael Nitschke who passed from this earth in July of 2006.

Michael was widely known in the area for his arts publications *Montage* and the *Otto Guide*. These publications chronicled the visual, literary, musical and performing arts in the region and were distributed without charge. Julie Ann Boesenhofer of the Toledo Opera said, "...Michael really devoted himself to promoting all of the arts in the community." Or, as Michael would say, "I'm just trying to get the word out about what's going on!"

Those who knew Michael better saw him for his love of music. Michael was a huge jazz talent that played saxophone and clarinet with the Toledo Concert Band, among others. Keith McWatters said that, "He was a great player with a good attitude (and) it was always great to have him on the bandstand."

Michael was taken from us all too soon, but while he was here, he did the most he could for the love of art. His long time friend and proof reader Jackie David put it best when she said, "He was altruistic."
